Examples from other application areas. Neat Image can be used in many different situations. Examples below show how Neat Image works in various application areas.

### Markdown Editor V

Examples. See how beautiful jQuery Steps is and what you can do with it!

### Markdown Editor V

A customer asked that we check out his intranet site, which was used by the company's employees and customers. This was part of a larger security review, and though we'd not actually used SQL injection to penetrate a network before, we were pretty familiar with the general concepts.
